Malcolm Hedding has a profound ability to teach and impart truth concerning God's heart for the nation and people of Israel. He is an astute theologian and is one of the most articulate speakers on the scriptural basis for Christian support of Israel today. A church planter in South Africa for more than 25 years, Malcolm risked his life as a young pastor by speaking out publicly against the evils of apartheid. In 2000, he moved to Israel with his family to head up the ministry of the International Christian Embassy Jerusalem.
